

CALIFORNIA STATE TREASURER'S OFFICE JOB OPPORTUNITY

CLASS: Senior Programmer Analyst (Specialist)
TENURE: Permanent
TIME BASE: Full-Time
SALARY: \$5571 - \$7109

DUTIES:

Under the general direction of the Division Director, the Senior Programmer Analyst (Specialist) functions as a senior consultant/technical specialist within the Information Technology Division. The incumbent serves as the lead technical specialist responsible for analyzing, designing, constructing, implementing, testing, and maintaining the most complex technology applications/systems for the State Treasurer's Office.

DESCRIPTION OF ESSENTIAL FUNCTIONS:

- Work independently as a high-level technical specialist.
- Perform a wide variety of the highest technical, most complex analytical and programming tasks.
- Reviews, analyzes and provides recommendations or solutions regarding complex system issues.
- Implements and/or participates in the implementation of recommended solutions.
- Makes technical decisions and maintains a high degree of technical expertise and versatility in evaluating, recommending, designing, constructing, modifying, and implementing new complex information technology systems and modifications/enhancements.
- Leads, mentors and/or assists other developers in troubleshooting/resolving system problems, analyzing, modifying, procuring, developing, testing, installing, documenting, and implementing complex applications, systems, and modifications/enhancements.
- Work independently to troubleshoot/resolve the most complex system problems and implement the most complex system changes/enhancements.
- Serves as project manager/lead in the development and execution of information technology projects.
- Develops/maintains project/resource plans, budgets and schedules.
- Assigns tasks to project team and monitors progress against approved plans.
- Represents project team in meetings and provides written summaries and status reports to upper management and key stakeholders.
- Provides backup support when the Application Development Manager is out of the office.

DESIRABLE QUALIFICATIONS:

- Ability to communicate effectively
- Ability to learn quickly
- Ability to work in a team environment
- Ability to work independently
- Ability to work on multiple concurrent projects or problems
- Good work habits and dependability
- Knowledge of Microsoft.net
- Knowledge of Oracle forms and reports
- Willingness to learn new technologies

CONDITIONS OF EMPLOYMENT:

Fingerprinting and Background Check are required.

WHO SHOULD APPLY:

Individuals who possess the qualifications listed above and are interested in a lateral transfer or have employment list eligibility as a Senior Programmer Analyst (Specialist).

This position is subject to SROA clearance policies. Surplus employees who meet the requirements are encouraged to apply. Employees in the State Treasurer's Authorities and Commissions are encouraged to apply if interested in the position. **ONLY THE MOST QUALIFIED APPLICANTS WILL BE CONSIDERED.**

Please state the source of your eligibility (i.e. list eligibility and score, SROA, surplus employee, reinstatement, etc.). If you do NOT indicate the source of your eligibility, you may not be considered for an interview. Also, write the number "820-720-1583-001" next to the classification on your application/resume, i.e., Senior Programmer Analyst (Specialist) (820-720-1583-001).

FINAL FILING DATE:

Applications will be accepted **until filled**.

SUBMIT APPLICATIONS TO:
